

I have sent this Alert to those on the TWRA or NhW distribution lists. The main purpose is to remind you that if you wish to vote in person tomorrow in the local elections you will need to take photo ID with you. In addition there are some updates to the list of road closures and upcoming events including a number of new local Creative Arts competitions featuring photography, painting and short stories with closing entry dates in the middle of June (see link to a poster by my signature at the end of this bulletin..

### **Election Notice**

**Please be aware that photo ID will be required to vote in the May Council Elections e.g. Passport, driving licence, bus pass. For further information go here:**

### **New TWRA Web Site**

The new TWRA website at [twra.org.uk](http://twra.org.uk) has been launched. With a much wider range of information for residents, we hope it will be a favourite in your browser's bookmarks. The current website has been retired but the old address ([tadworthwaltonra.co.uk](http://tadworthwaltonra.co.uk)) will still work for a while - it will simply redirect automatically to the new address.

### **Tadworth & Walton Tribune**

The May edition of *The Tribune* magazine is now with our deliverers. If you have not received one within the next 2 weeks, please let us know by using the Contact form on the website at [twra.org.uk](http://twra.org.uk)

Please note the TWRA AGM will take place on May 17<sup>th</sup> with doors open at 7pm for a 7.30pm start in St John's Hall.

### **Road Closure & Disruption Reports**

Please note that the One.Network web site which used to allow residents of Surrey to view planned future roadworks will be only allowing that data to be accessible to commercial licence holders although it can still be used to see roadworks over next two weeks.

<https://www.surreycc.gov.uk/roads-and-transport/roadworks-and-maintenance/roadworks#planned>

Ashurst Road will be subject to night road closures from May 15<sup>th</sup> for 8 nights see link to poster by my signature below.

Long term roadworks have started to improve the safety of the intersection of Headley Common Road with Pebble Hill Road. You can find a link to a leaflet explaining these works at the end of this bulletin.

There are planned works taking place in Walton-on-the Hill from early May to Monday 3<sup>rd</sup> July, meaning the area will likely be busier than usual and parking may be difficult. The works may continue past 3<sup>rd</sup> July if there are significant delays.
