

I have sent this Community Support Alert to all those on the TWRA and/or Neighbourhood Watch distribution lists for Tadworth & Walton

Following my recently issued bulletin I have been asked to update and clarify a few items.

Road Works

Please note Downs Way in Tadworth is currently closed for road works at its southern end where it meets The Avenue.

Meadow Walk in Walton-on-the-Hill is expected to be closed on 23rd July with no parking allowed for roadworks.

Street Trees

I have been asked by Tadworth & Walton Tree Wardens to remind residents with young street trees outside their property to try to ensure that they are adequately watered during periods of hot weather.
